An empty hall suddenly comes to life when classes change. The day progresses and students move from class to class listening, learning, expressing their thoughts, meeting their friends. Finally, the school day draws to a close, but for some students it is just beginning as they participate in after-school activities.

### ALMA MATER

Dear Nordonia, hail to thee  
 Memories so dear will be;  
 Green and white will symbolize  
 Dreams that we realize.  
 Looking backward, singing  
 While our hearts are ringing  
 To our dear Nordonia High  
 Our Alma Mater.

## *Pep Rallies*

It takes a great deal of work to put together a good pep rally. Cheers must be practiced, skits devised, band music rehearsed, and contests between classes planned. The effort, time, and sacrifice of all those who worked for better pep rallies was appreciated by the students. We're sure they added greatly to the enthusiasm which spurred our teams on to victory.

## Music Man

This delightful musical by Meredith Wilson, was put on as the all-school production this year. Under the direction of Mr. Donald Schoengge, Mr. Clyde Ebeling, and Bruce Feils, student director, the play had three out-standing performances. The story was about the reaction of a small, rural Iowa town, River City, to a smooth-talking swindler. An excellent job was done by each member of the cast, stage crew, pit band, and all the committees.

Sirpa Saarela, a student of the Youth for Understanding Organization, comes from Hyvinkaa, Finland. She is living in Northfield with Mr. and Mrs. Ranta, their daughter and two sons.

Sirpa is a wonderfully cheerful person who has been very active in school activities, especially Dramatics Club and AFS. Sirpa enjoys going to the football and basketball games, painting scenery for the plays, bowling, and roller skating. Her favorite sport is skiing. When Sirpa returns home, she will have two more years of high school and then college. As of now, she is undecided about her future.

We wish Sirpa good luck and we hope she has enjoyed her year here as much as we have enjoyed having her.

Shirin Kemal is our AFS student from England. Although originally from Cyprus, she has lived in London for seven years and is now living with the Skelly family in Macedonia.

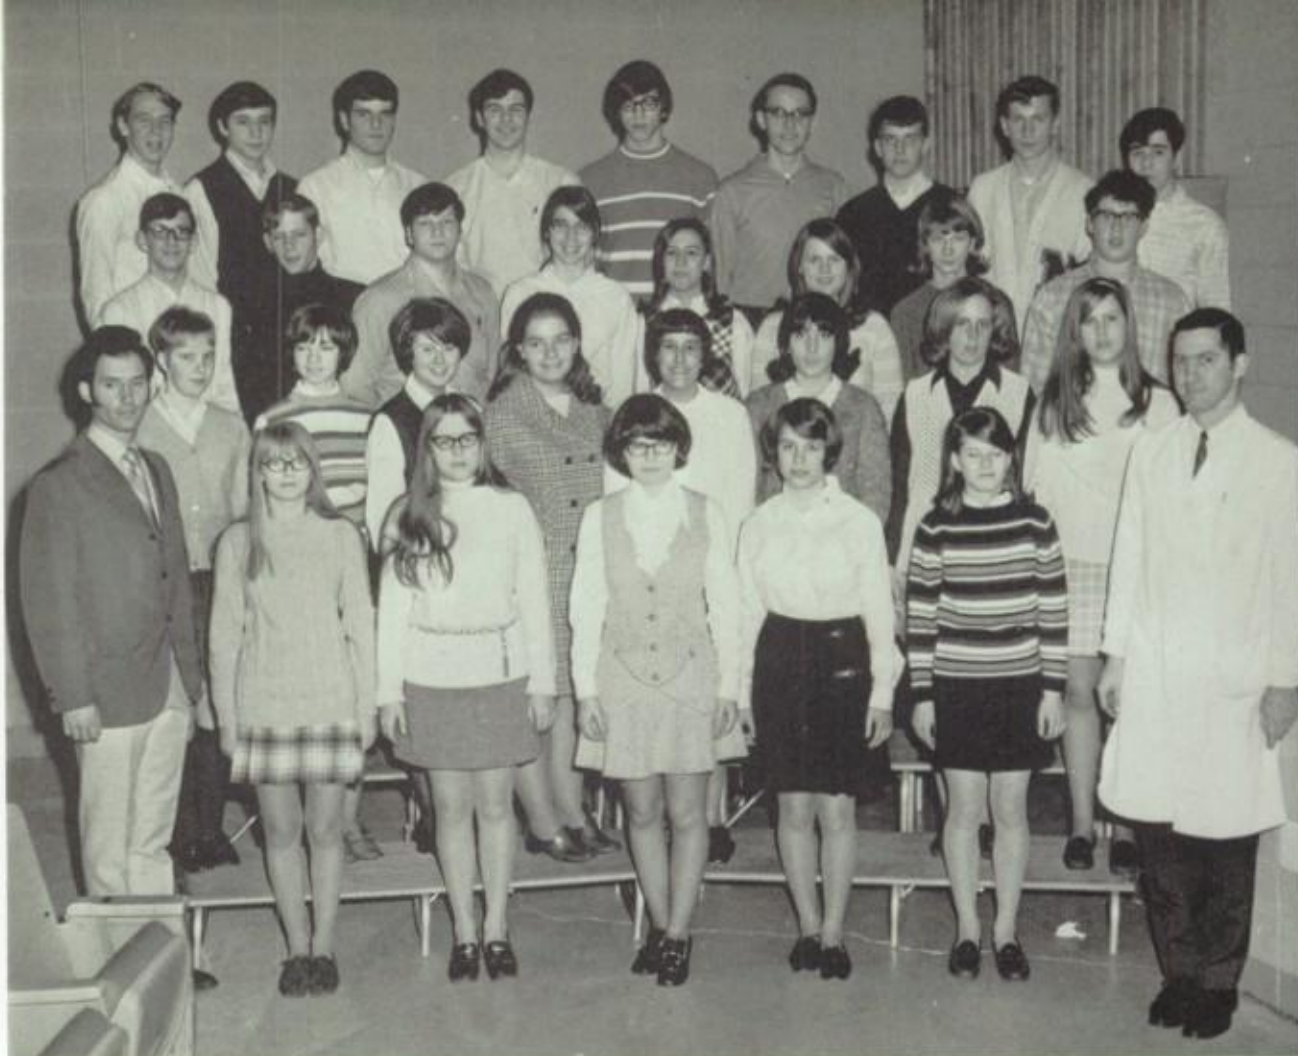

Shirin is active in Dramatics Club, Pep Club, AFS, and Horizon Camp Fire girls. She enjoys the basketball and football games tremendously and loves bowling, skiing, ice and roller skating. In London, she took a year of judo and now holds an orange belt.

Once home, Shirin will go on to college. She is extremely interested in doing welfare work.

We wish Shirin well and hope that she found this a wonderful and profitable year, because it certainly has been a rewarding experience for us.

## *Yearbook '70'*

Patty Broyles and Bonnie Sargent, faculty and activity sections; Bob Cergol, photographer.

The NORDONIAN Staff started this project of producing a memory book for the class of 1970 with no experience, a new advisor, but with a great deal of enthusiasm. Advertising sold to businessmen and yearbook sales topped all previous records. We hope that the students will enjoy our efforts.

In Memory of  
PAUL TISKO  
Class of '73

Remember  
How he used to smile;  
Recall  
The carefree way he walked;  
Think often  
Of the courteous way in which he spoke.  
Keep him  
In the senses of your mind and in your heart;  
Remember  
And he will live forever  
In you.
